Adult Class Policies

FAQ's:

- What is the class format?** There are between 2 and 8 students in a class. Classes meet once per week and lasts 1½hr or 2hr, as scheduled.
- How long is an enrollment?** Each session is different in length. After you complete the current session, you can re-enroll for the next level of the language on the same day/time with the same instructor.
- What is the focus of the classes?** Our language programs combine a diversity of teaching techniques that focus on a communicative approach and provide students with the necessary skills and concepts to feel comfortable to speak and understand others in a foreign language environment. Our programs offer the perfect mix of grammar, reading, writing, listening, speaking and vocabulary to help our students understand and perfect their use of the language.
- Who will be teaching?** ISL instructors are native speakers of the target language or are fluent to native-speakers. ISL will do the best to keep the same instructor for each class; however, may need to substitute in an equally qualified instructor from time to time.
